ZekeVon Heike"Kindly received by NetGalley for an honest review**Title: ZekeSeries: Breaking the Declan Brothers, book 3Author: Kelly GendronRelease Date: 22-01-2016Rating: 4 starsThis was my first in the series, but

after Zeke in need to read the other books out this series as well! Zeke, the boy with his rules! Rule #1 Don't call him. Hell call you. Rule #2 He doesn't date. Rule #3 No sleepovers. Rule #4 Absolutely, no virgins. A perfect book. Fast and funny, I liked Zeke a lot he made me laugh and that's what I love while reading. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Finally!! We get Zeke! Love him! Von Sheila73 Zeke is the last of the "Breaking the Declan Brothers" series. I was given a complimentary copy in exchange for an honest review. My opinion is that you need to read the books in order since every brother appears in each book. We've always seen Zeke as the ultimate playboy. He has his 'rules' when it comes to girls and we've always been led to believe it's because he wants to hit it and quit it. We discover in this book, that's not the case. Those rules are to protect himself, and also to protect anyone who might try to care about him. He has trauma from his past that he's never dealt with, or even told anyone about. It's been simmering inside him for over a decade and he's been able to keep it from boiling over by keeping everyone at arm's length. Lurlene is determined to break all of his rules, even before she knows the reasons for them. She knows from their very first meeting that there's more to him than he lets people think. Slowly, she's able to crack the armor he's built around his heart. She's the first person to not accept him at face value and to call him on his crap. He's never had anyone try to fight his rules and get close to him...no one has ever cared enough to see the pain that lies underneath. I love Lurlene's character. She's strong and she's stubborn; refusing to give up on Zeke even when he wants her to. She's determined to make him break ALL of his rules for her, and by doing so she's able to work her way into his heart. She's exactly what he's needed all this time. I hate that he suffered silently for so long, but he needed someone who cared enough to persevere without getting frustrated with him and giving up. She's nothing but supportive when the painful truths of his past are revealed and she accepts him exactly as he is. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice, short romance Von Carolin Jache Zeke is the story of Zeke Declan, the youngest of the three brothers. He co-owns the bar with his brother Jax and is also an amateur/hobby MMA-Fighter in their unofficial cage in the back of the bar. When he meets Lurene, the best friend of his brothers long lost girlfriend, he doesn't know that she has set her mind on breaking all of his carefully constructed rules in order to break her assigned Declan brother. Will they have a happy end even despite all of both of their secrets? This was the second book I read in this series. I loved Jax's story and was very curious to see Zeke's. However, I almost abandoned the book at approx. 30%, because the chemistry between the two MCs at the beginning was explosive but the conversation suddenly turned very dragging and stilted. I felt almost uncomfortable reading about their attraction to each other. But I kept going and it suddenly went back to good again and I loved the remaining part of the book. The writing was as great as in Jax and the characters were nice. Ultimately, it's a cute, short romance with a bit of angst and steam and a big dose of insta-love. Though each book can be read as a standalone, I'd highly recommend reading them in order. All in all, I rate Zeke with 4 stars and can recommend this series. *** ARC kindly provided to me by Netgalley. This Review is posted on CollectorOfBookboyfriends.com ***

Kurzbeschreibung Some guys call, some date, and some guys, they might even get married. But, sweetheart, I ain't any of those guys... ~ Zeke Declan Every girl in Galveston County knows about Zeke Declan's rules and has agreed to them or is considering them. Rule #1 Don't call him. Hell call you. Rule #2 He doesn't date. Rule #3 No sleepovers. Rule #4 Absolutely, no virgins. When a couple friends talk me into going back to their hometown in the Bayou for the summer and challenge me to break the best damn lay in Galveston County along with every single one of his ridiculous rules, I'm confident that I can get the job done. I'm no stranger to men. I have five older brothers. I'm a teacher and I'm used to being around rebellious teenagers. However, Zeke Declan is definitely not someone that I could have prepared for. He's not a testosterone-fueled, immature boy. He's a confident, arousing, playful, and mind-melting man. But, behind that sexy charming smile, I know he's hiding a secret. And, in order to break him, I'm going to need to find out what it is... Warning, /b ~ This book contains explicit sex scenes, graphic language, and is intended for mature audiences.
